

## TECHNICAL DATA SHEET

# ***RUDSON Windshield Washer Fluid***

RUDSON Windshield Washer Fluid is specifically formulated as a summer windshield washer to keep windshields clear from road grime and dirt debris. Our formula contains special detergents that break down the dirt and grime making it easy to wipe off the windshield.

RUDSON Windshield Washer Fluid has a greater foaming action than comparable windshield washers and is excellent for cleaning away road dust, oil and grime. Our formula does not contain any harsh chemicals and is completely harmless to wiper blades, body paint and trim.

Formulated with advanced technology for a streak-free cleaning power.

- ❖ Instantly removes bugs & road grime
- ❖ Streak-free shine
